

# Secure Credentials as a Service

Take the burden of printing off your agency. Reduce costs, less burden, no procurement, no hardware and consumables, no manpower, no overhead and increased security. We handle it all for you.

## Why choose us?

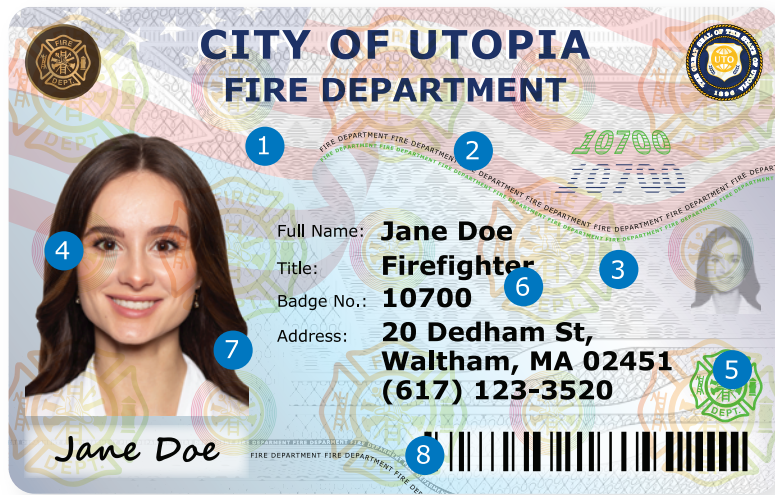

**Federally Cleared Facility:** Our facility is a Cleared Secure Facility, certified by the U.S. Government. Our trained professionals, strict processes and protocols ensure that you have peace of mind knowing our facility and data are secure. Only authorized personnel are authorized to handle Personally Identifiable Information (PII) and required to participate in annual mandatory security training.

**Chain of Custody:** Printer consumables exclusively manufactured for us, and our printers, ensures strict supply chain of custody and increases the security of your cards. Secure tracking, safeguards that the IDs are not tampered with, lost, or damaged during any stage of their handling.

**Modernized Platform:** Our innovative platform transforms the ID issuance process with a secure, flexible, and modular solution. Built-in security measures like role-based access and certificate management protect personal data through the entire lifecycle.

**Decades of Experience:** We have over 30 years of identity management experience and deliver passports, driver's licenses, mobile IDs, and other high assurance identity documents.

# Unrivaled Security

- 1 LAMINATION**  
Enhances card durability with UV and water resistance
- 2 MICROTTEXT**  
Personalized to add next level security features
- 3 HOLOGRAM**  
Custom kinetic designs add a high-security element which resists counterfeit production
- 4 DOT-ON-DOT PRINTING**  
Microscopic, intricate dot patterns that are nearly impossible to counterfeit
- 5 UV**  
Detected only under a black light which enables the card to be rapidly identified as valid or invalid
- 6 600 DPI**  
Twice the resolution of other printers that creates crisp characters and lines that are obvious to the naked eye
- 7 10 YEAR FADE RESISTANCE**  
With our patented pigment ink technology
- 8 PDF 417 BARCODE**  
Easy data encoding
